Respected Sir,

Subject: Providing Safety Certificate for the Residential School Building at
Hoolikatti.

Reference: 1) Your request Letter No: A.P.J.A.K.R.S.H/CR-32/2022-23
Dated: 19-04-2023.

2) Katcon Consultant Belagavi's Structural Stability Certificate/Report
No: KMTL/Bgm.Dn/2022-23/95 Dated: 20-05-2022.

3) This office Letter No: 96, Dated: 21-05-2022.

With reference to above subject, as per your request letter (1) you have given application for issue of Safety Certificate for Minorities Morarji Desai Residential School building at Hoolikatti. Since there are no instruments available in this office for testing the structural stability of the various components of the building, it was inform to get it done from the Katcon Consultants Belagavi/KLE Engineering College, Belagavi/or any other Accredited institute for the structural stability report. In this regard, the said Residential School building was inspected by the Katcon Consultants Belagavi on 17-05-2022 and they have submitted report of the structural stability of the building ((Stability Report enclosed). As per the report of Katcon Consultants the building is safe with the instructions to follow the conditions mentioned in the structural stability report/certificate.

Based on the Katcon Consultants Belagavi structural stability report and the following mentioned conditions, it is to certify that the said Residential school building can be used for conducting the classes.

Conditions:

1. Immediately report to competent authority if there are problems such as collapse, backwater leakage in any part of the said building.

2. Maintain proper records/documents of the said building.
3. Regular Maintenance of the building has to be taken by the school authorities.

This certificate is valid for the year 2023-2024 only. This certificate is issued that the above building is safe to conduct the classes in the institution.

Enclosed: As above.

Yours Faithfully,

Assistant Executive Engineer,
Public Works Department,
Sub Division, Kittur.

Copy: With respectfully to the Executive Engineer, Public Works Department, Belagavi
